Organization: _____

Static 99/99R/2002R

Presented by Dr. Bowman Smelko and Brenda Erdelyi, LCSW

9:30 – 11:00

- Overview of the history of actuarial risk assessments
- Difference between static and dynamic variables
- Explain the different variables identified on the Static
- Research on recidivism rates and how to best conceptualize risk

Membership Meeting Objectives

Meeting Facilitated by Andy Hudak, LCPC, and Brenda Erdelyi, LCSW

11:00 – 4:00

- Understand underpinnings of each committee within the Association and how this committees aim to further our mission of prevent sexual harm
- Discuss recent policy changes and how these changes impact our work as well as current events happening in the State that may impact the evaluation, treatment, and supervision of those convicted for crimes that are sexual in nature (e.g., registry laws). Guest speaker for the Attorney General's Office will be in attendance.
- Have a panel discussion with Department of Corrections leadership about program changes for those incarcerated as well as a discussion about evidence-based best practices for treatment of those convicted of sexual crimes.
- Increase relationships with different providers and stakeholders by creating space and opportunity for relationships to be built and/or strengthened.
